BUMED Message Announces November Health Promotion Director Course

BUMED has released the message announcing the 5-9 November Health Promotion Director Course, to be held at Snug Harbor Officers Club, Little Creek NAB, Norfolk. Anyone interested in requesting a quota for the course should obtain a copy of the BUMED message (R 192134Z JUL 01) and submit all information requested by the 24 August deadline. POCs and other pertinent information is included in the BUMED message

Health Promotion Basics Course

The Health Promotion Basics Course is a two-day course for individuals at Navy commands who have been given responsibility for planning, implementing, and evaluating an effective command Health Promotion Program. While there is no rank or GS pay grade requirement, the target audience is the E-5 through E-8 enlisted, or lower ranked officers (O-1 through O-3) who are either not eligible or are unable to attend the Health Promotion Director Certification Course. Attendance at this course fulfills the training requirement for the Force Commander Annual Health Promotion Unit Award ("Green H").

The Course is offered at many locations Navywide by instructors trained to offer the course in their respective areas. Courses that are currently scheduled are listed below.

DARE Update

The Drug Abuse Resistance Education program, better known as DARE, is undergoing a new program evaluation. This fall DARE is targeting middle and high school students (in the 7th and 9th grades) with a new curriculum in test sites- including Detroit, Houston, Los Angeles, New York and St. Louis. The new DARE program is using more hands on strategies, that includes problem solving and class discussions to determine its effectiveness in preventing substance abuse.
